— Invite you to a special screening event —

UNMASKED: WE ALL BREATHE

Please join for a special screening of this documentary that candidly explores the experience of tuberculosis in three young South African doctors whose daily lives were turned upside-down with the devastating diagnosis.

Followed by an intimate conversation with:

[Peter Sands](#), Executive Director, The Global Fund to Fight AIDS, Tuberculosis and Malaria

[Jo Chandler](#), Australian Journalist and TB Survivor

[Dr Zolelwa Sifumba](#), Doctor & Occupational TB Survivor and Activist featured in Unmasked

And concluding remarks by:

[Lady Roslyn Morauta](#), Vice Chair, The Global Fund and Former First Lady of PNG

Wednesday 19 June 2019 | 6.15pm - 8pm

wework.
